Greens

*Alkaline superfood aiding in digestion & detox.**

Greens supplement is a synergistic blend of alkaline superfoods. This is a great supplement for your everyday patient. Our bodies tend to be on the acidic side because our diet is compromised of processed foods, sugary foods, and fast foods. Acidity is the root cause of many ailments that may become chronic issues. One way we can get rid of the acidity in our body is to eat a more alkaline diet. The Greens supplement is a great way to encourage a more alkaline environment in our body, minimizing acidity. Our formula is specifically comprised for ultimate absorption.
